

**Performs corrective maintenance and annual main revision according to EN (AENOR) regulations regarding safety, stability and resistance of sports equipment, dividing curtains, protective nets, sport floorings, etc ...**

## Description

Practice safe sport with reviews and maintenance of sports equipment, through our teams of professionals with 50 years of experience.

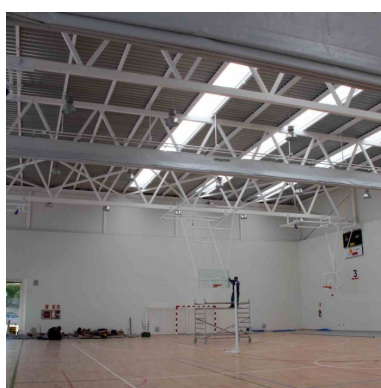

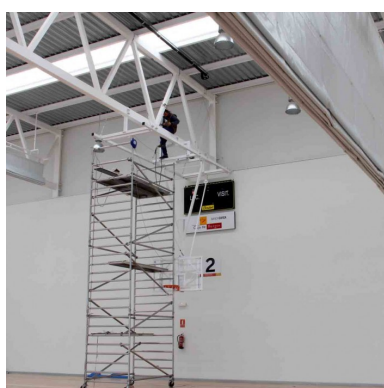

We are the Spanish company with more sports facilities made in our country. We have teams of professionals, and means of transport for rapid interventions.

We review and maintain sports equipment both in indoor sports centers and sports equipment installed outdoor.

Request a quote, and fine-tune your sports equipment through our maintenance programs (routine eye, corrective, and annual main). And practice sports safely ...
