

**Roll-up tatami mat made of both foam and PVC components according to European standard EN 71 (AENOR)**

## Description

Tatami foam roll composed of a high density and 35 mm thick reticulated foam laminated with pvc "GRANE RICE" high grammage, Blue color.

Recommended for Martial Arts and Psychomotricity Classrooms.

Easy and quick assembly: Place the roll on the floor and unroll, to store it re-roll.

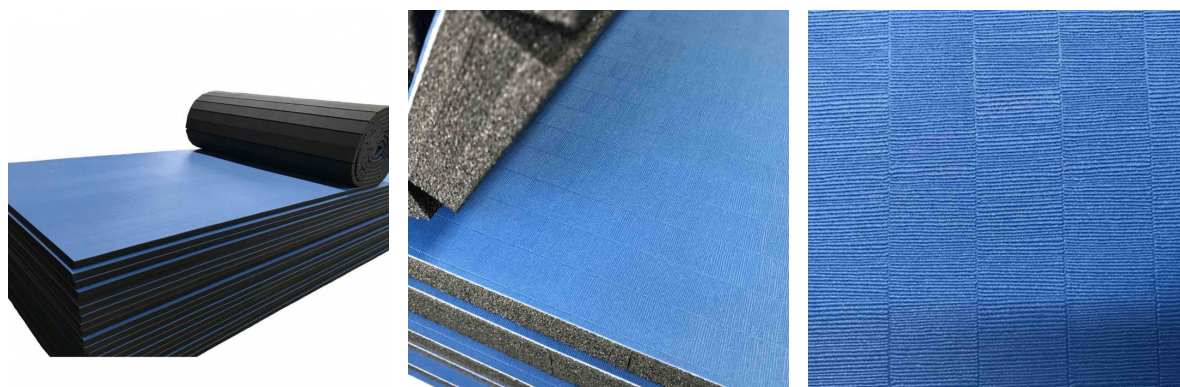

If you need to cover more surface you can join one roll with another by installing a double-sided self-adhesive tape on the floor.

Great safety: According to a study carried out in a certified laboratory to know H.I.C CRITICAL HEIGHT in case of vertical fall, giving us a value of 141 cm, a figure that gives us a wide margin of safety.

Product in production: Availability June / July 2019.
